

Stage 2 of Provincial Relaunch

ACTIVITY/BUSINESS/ENTITY	ALBERTA HEALTH GUIDELINES	REOPENING DATE	CITY PERSPECTIVE
Physical Distancing	2 metre distancing is expected to be maintained, unless exceptions are noted		
Gatherings	Max. 50: Indoor social gatherings Max. 100: Outdoor events and indoor seated/audience events No cap: Worship gatherings; restaurant, cafes, lounges and bars; casinos; bingo halls as long as physical distancing is maintained		
'Cohort' groups	Small groups of people whose members do not always keep 2 metres apart: <ul style="list-style-type: none"> - a household can increase its close interactions with other households to a maximum of 15 people - performers can have a cohort of up to 50 people (cast members or performers) - sports teams can play in region-only cohorts of up to 50 players (mini leagues) - people could be part of a sports/performing and household cohort. 		
Libraries , with restrictions	Encourage the use of "holds" to reserve materials to reduce the amount of time people spend in the library. Consider offering curbside pickup for on hold items, or delivery or drop off services for items to residences. All returned materials should be stored in a dedicated space for 72 hours before they are handled.		
Wellness services such as massage, acupuncture and reflexology	Consider creation of dedicated time slots (e.g., mornings) or full days for appointments for high-risk clients. Screen clients for symptoms before they are seated for a service. A physical barrier (such as a clear acrylic sheet) should be placed between staff and clients when services are provided in a face-to-face manner. Where barriers are not possible, it is expected that both the client and worker wear masks.		
Personal services (esthetics, cosmetics skin and body treatments, manicures, pedicures, waxing, facial treatment artificial tanning)	A physical barrier (such as a clear acrylic sheet) should be placed between staff and clients when services are provided in a face-to-face manner (e.g., manicures, microderm abrasion, make-up application). Where barriers are not possible, it is expected that the worker wear a mask. Clients may also be asked to wear a mask for the duration of the service provision. Jetted foot baths; Injection, Insertion and Piercing within body cavities; and particle and dust generating procedures (e.g. high-speed manicure drills and some microderm abrasion equipment) are not recommended at this time, unless controls are in place		
Movie theatres , with restrictions	Movie theatres must set up processes and infrastructure to support 2 metres of distance to be maintained between patrons or households.		

Stage 2 of Provincial Relaunch

	A maximum of 100 people are permitted per theatre room, as long as physical distancing can be maintained.		
Theatres , with restrictions	<p>If frequent close contact and sharing of items is required between performers and/or performers and the production team, these individuals may form a cohort of no more than 50 individuals who remain together for the duration of Stage 2.</p> <p>The number of audience members permitted in the venue at one time (not including the performing group or venue staff) may not exceed 100 people.</p>		
Team-based sports, with restrictions	<p>All aspects of organized sport, physical activity and recreation may proceed (programming, training, practice and competition) if physical distancing is possible.</p> <p>If a sport cannot be modified to maintain physical distance then it must be played in cohorts (mini-leagues) of no more than 50 participants, officials, coaches and trainers for the duration of Stage 2.</p>		
Indoor and outdoor recreation, fitness and sports , with measures in place	<p>Trampoline parks, bowling alleys, billiard halls, mini-golf courses, laser tag and paintball facilities should pre-booking sessions online for scheduled times</p> <p>Facility operators should ask all participants to complete the COVID-19 self-screening tool prior to entrance into the facility and commencement of any activity.</p> <p>Total number of individuals in a gymnasium setting cannot exceed 100.</p> <p>High-intensity classes (e.g., Zumba®, Spin®/cycle class, hot yoga, boot camp), must have a minimum distance of three-meters between participants.</p> <p>Low Intensity Fitness Classes (e.g. Yoga, Pilates) must maintain 2 metre distances.</p> <p>3 metres must be established between high intensity equipment and 2 metres between weight machines</p>		
Pools	<p>Aquatic sports, diving, lane swimming, swimming camps and swimming lessons are permitted to resume in Stage 2.</p> <ul style="list-style-type: none"> - Maximum of 100 people, as long as physical distancing of 2 metres between is maintained. <p>Screen patrons to ensure they do not have COVID-19 symptoms.</p> <p><i>Drop-in and public swimming will resume in Stage 3.</i></p> <p><i>Leisure aquatic features (such as lazy rivers, water slides and wave pools) and whirlpools, hot tubs, dry saunas and steam saunas will remain closed until Stage 3.</i></p>		Spray parks will remain closed for the 2020 season due to budget

Stage 2 of Provincial Relaunch

Arenas	Ice use should be limited to organized activities (e.g., figure skating, hockey, ringette). No more than 50 people can be on the ice/boxes at the same time. - Maximum of 100 spectators, as long as physical distancing between households is maintained.		
Instrumental concerts	Live performance activities such as playing non-wind instruments, may proceed if physical distancing is possible. Conductors, instructors, musicians, technicians, and production crew members who are not cohorting should maintain two metres of physical distance from each other at all times.		
Casinos and bingo halls	Operators are to submit an operational plan to Alberta Gaming, Liquor and Cannabis (AGLC) detailing how they plan to meet the Chief Medical Officer of Health's orders and guidelines.		
Arcades and video lottery terminals (VLTs) in restaurants and lounges	Retailers are to submit an operational plan to Alberta Gaming, Liquor and Cannabis (AGLC) detailing how they plan to meet the Chief Medical Officer of Health's guidelines within their VLT area. VLTs and the iLink site controller should be cleaned a minimum of every 4 hours. Every effort should be made to disinfect these devices after each guest vacates or uses the machine.		
K-12 schools, for requested diploma exams and summer school, following guidance		June 12	
Community halls, with limits on attendance based on activity		June 12	
Provincial campgrounds at full capacity		June 12	
Places of worship	No cap on attendance, must maintain 2 metres of distance between attendees not from the same household or cohort family. Each faith community's leadership will be responsible for ensuring that measures are taken to prevent spread within their community.	June 12	
Additional scheduled surgeries		June 12	

Still not approved in stage 2

Stage 2 of Provincial Relaunch

- social gatherings that exceed above listed maximums
- regular in-school classes for kindergarten to Grade 12. Classes will resume September 2020
- vocal concerts (as singing carries a higher risk of transmission)
- major festivals and concerts, large conferences, trade shows and events (as these are non-seated social events and/or vocal concerts)
- nightclubs
- amusement parks
- hookah lounges (permitted for food and drink only)
- major sporting events and tournaments
- non-essential travel outside the province is not recommended – this won't be lifted until stage 3 of the relaunch strategy
